# Ayurveda: The Essence of Mind–Body Harmony

समदोश समग्निश्च समधातुमलक्रियः।  
प्रसन्नात्मेन्द्रियमनाः स्वस्थ इत्यभिधीयते ॥

*Sushruta Samhita, Sutrasthana 15.41*

## Ayurveda & Consciousness: Our Journey towards Swasthya & Ananda

Rooted in ancient Vedic texts, our formulations are crafted with reverence for the natural intelligence of herbs, enhanced by the **power of consciousness**. ## NUTRITION ROOTED IN AYURVEDA

In Ayurveda, Ahara (food) is considered the essential element that helps us stay healthy and harmonious. Our packaged foods, herbal teas/infusions, and nutritional supplements follow Ayurvedic principles.

Ayurveda emphasises the importance of nutrition as the foundation of health. It helps with digestion, nourishes the body, soothes the mind, and sustains the balance between the three doshas (Vata, Pitta, and Kapha). It also helps with detoxification, boosts immunity, and increases energy levels.

## ORGANIC HERBAL TEAS & INFUSIONS
